# BRECK'S IRRIGATOR

50 FEET OF 100 PERCENT SERVICE

A watering device with no moving parts to get out of order. Made of B. F. Goodrich Co. high grade hose with solid brass fittings. Breck's Irrigator without any waste of water, will do anything you ask of it in the way of *Sprinkling, Watering, or Irrigating*

LAWNS, VEGETABLE GARDENS  
SHRUBBERY BORDERS, GOLF GREENS  
FLOWER GARDENS, MARKET GARDENS

You can lay it out straight and irrigate a vast area of lawn.

You can water an entire golf green by using one or more lengths.

You can lay it down between the rows in the Vegetable Garden.

You can wrap it around Shrubbery and soak an area as it was never soaked before.

You can stretch it down a path in your Flower Garden and without wetting the path sprinkle fifty feet of bed at one time.

You can be watering a row of plants just set out while you are setting out the next row.

You can get a spray with even a moderate pressure.

AND when you get all through watering you can roll up the Irrigator just like a piece of hose and put it away.
